This semi-annual retreat was formed in September 1989, by women in recovery who are dedicated to creating a safe space for women in all 12-step recovery programs. We share our talents and personal stories while drawing wisdom from the experience & strength, of the women who have gone before us, to nurture each other's emotional and spiritual growth, on our journey through recovery to a truly fulfilling & purposeful life.

Registration \$175.00	due by: Friday, April 10, 2026
------------------------------	--------------------------------

Apply for a partial scholarship online only: www.womensrecoveryworkshop.com/scholarship
